Product guide

Printing made simple

HP LaserJet Pro M201 series

August 2014

Table of contents

Simplify printing from your desktop and beyond

Equip employees to finish everyday print jobs quickly—from virtually anywhere.[1] This value-packed HP LaserJet printer offers built-in networking and a large number of included and optional security features, plus fast print speeds. Mobile printing options support productivity on the go.[1]

Who can benefit?

The HP LaserJet Pro M201 series is ideal for small workgroups of up to five business users who require a robust, full-featured black-and-white laser printer at an affordable price. Choose the M201dw model for easy wireless connectivity,[2] automatic two-sided printing, and standard wireless direct mobile printing.[3]

Series at a glance

Model	HP LaserJet Pro M201n	HP LaserJet Pro M201dw
Part number	CF455A	CF456A
Print speed (black, normal)[4]	Up to 25 pages per minute (ppm), A4	Up to 25 ppm, A4
Control panel	2-line LCD (text)	2-line LCD (text)
Automatic two-sided printing	Not available	✓
Networking	Built-in Ethernet	Built-in Ethernet, Wi-Fi 802.11 b/g/n
Mobile printing capability	HP ePrint, Apple AirPrint	HP ePrint, Apple AirPrint, wireless direct printing

Product comparison

The following table compares the new HP LaserJet Pro M201dw with the HP LaserJet Pro P1606dn.

HP LaserJet Pro M201dw	HP LaserJet Pro P1606dn	Benefits
128 MB standard memory	32 MB standard memory	Four times the memory for better performance
Intuitive 2-line LCD control panel	4 LED indicator lights and 2 buttons	Improved ease of use
Built-in Ethernet and Wi-Fi 802.11b/g/n networking with HP Auto Wireless Connect[2,5]	Built-in Ethernet	Connect to the network automatically and print wirelessly right away
Pro series management features, including: • Core HP Web Jetadmin monitoring, reporting, fleet configuration and management[6] • Support for HP Imaging and Printing Security Center (IPSC)[7] • HP Embedded Web Server interface to manage your printer right from your PC • Remote Print Monitoring—automated and scalable process collects information and dynamically updates usage reports for the portal	Not available	Easy remote management saves time
Pro series security capabilities: • Network: Firewall (with feature-based/port enablement), WPA2 authentication, SNMPv3, certificates, access control list • Data: SSL/TLS 1.2 • Device: Network port disablement, control panel lock, feature lock • Security management: Password-protected network HP Embedded Web Server, SNMPv1 community password change, compatible with HP Imaging and Printing Security Center[7]	Not available	Enhanced security for greater peace of mind
Ships with standard-yield cartridge: 1,500 pages black; high-yield cartridge option: 2,200 pages[8]	Ships with standard-yield cartridge: 1,000 pages black; high-yield cartridge option: 2,100 pages	Fewer interventions and reduced cost; print 500 more pages before purchasing a replacement cartridge
HP ePrint, Apple AirPrint, wireless direct printing[3]	HP ePrint, Apple AirPrint	Improved efficiency and mobile printing options

Key benefits at a glance

Simplify everyday office printing with this value-packed printer. Help employees increase productivity with built-in networking and security features, fast print speeds, and mobile printing options.[1] The M201dw model empowers users with automatic two-sided printing, simple wireless connectivity,[2] and wireless direct printing.[3]

Just print—protected and connected

- Set up for success and keep this printer working smoothly with security and management tools, including core support for HP Web Jetadmin and optional HP Imaging and Printing Security Center.[6,7]
- Manage your printer right from your PC. With the HP Embedded Web Server, you can connect via USB or the network to check supplies status, device settings, and more.
- Remote Print Monitoring support enables an automated and scalable process which collects information and dynamically updates usage reports for the portal.
- Get up and running right out of the box and automatically connect the M201dw model to your wireless network, using HP Auto Wireless Connect.[5]
- Easily share this printer on your network with built-in 10/100 Ethernet connectivity. Print from virtually anywhere with built-in wireless connectivity on the M201dw model.[2]

Stay productive using intuitive features

- Save time and help reduce paper costs using reliable automatic two-sided printing (M201dw model only).
- Steer clear of complexity with the straightforward, intuitive control panel. Easily set up each project and start printing right away.
- Step up your productivity with fast print speeds of up to 25 ppm, A4.[4]
- Start working, right out of the box. This printer ships with a full-capacity, 1,500-page toner cartridge.[8]
- Print projects without pause using the 250-sheet input tray, plus a 10-sheet priority feed slot.

Printing made mobile

- Easily send print jobs wirelessly from your smartphones, tablets, and notebooks to the M201dw model without a router or access to your network.[3]
- Enable easy printing from your mobile devices at work, home, or on the go with HP ePrint.[1,9]
- It's simple to print from your iPhone, iPad, and iPod touch using Apple AirPrint—no setup or apps required.[10]

Conserve resources without sacrificing performance

- Help save energy with HP Auto-On/Auto-Off Technology.[11]
- Print reliably on a variety of paper types—even as light as 60 g/m^2.
- Conserve resources—the M201dw model is Blue Angel compliant and ENERGY STAR® qualified.

Just print—protected and connected

Set up for success and share this printer via built-in Ethernet networking—or share wirelessly with the M201dw.[2] Security features safeguard data and simple, centralised management tools help you optimise workflows.

Get more advanced features with the HP LaserJet Pro M201dw model:
- Automatic two-sided printing
- Built-in wireless networking with HP Auto Wireless Connect[5]
- Wireless direct mobile printing[3]

Safeguard data with simple security

Easily manage settings and help keep data secure with built-in security capabilities and optional security solutions. The M201 series supports security standards and recommended protocols that help you keep the product secure and protect critical information on your network. With Pro series security, you can define which clients/devices are allowed on the network, manage the industry-standard of SNMP configuration, and decide which ports/IP addresses have access to printer features. Utilise data encryption and optional password settings for wireless direct printing for improved security.

Manage your printer or fleet with intuitive HP JetAdvantage Solutions

Protect your print environment with the optional HP Imaging and Printing Security Center (IPSC).[7] Apply efficient, fleet-wide security policies to protect all your HP print devices.

IT can easily manage the core features of the M201 series, which is supported at the distributed enterprise level, using fleet management solutions such as HP Web Jetadmin[6] and HP Universal Print Driver.[12] Get standard monitoring and reporting (such as page counts and supply status), core fleet configuration and security settings, and basic management and policy tools. IT can quickly and easily apply printing rules across your fleet—to help meet environmental goals, improve security, and help reduce operating costs.

Support for Remote Print Monitoring enables automatic information collection and dynamically updated usage reports for the portal.

Manage the printer right at your PC

Manage your printer right from your PC with access to the HP Embedded Web Server. Simply connect via USB, or the network, to check supplies status, device settings, and more.

Extend your printing reach

Built-in 10/100 Ethernet lets you share this printer on a network. With the M201dw model, you can print virtually anywhere in the office with built-in 802.11b/g/n wireless connectivity.[2] And HP Auto Wireless Connect makes it easy to connect the M201dw model to your wireless network automatically and print wirelessly right away.[5]

Stay productive with intuitive features

Complete print jobs, quickly and easily. Fast print speeds—paired with an easy-to-use LCD control panel and a full-capacity cartridge in the box—help you do more.

Save two ways with two-sided printing

Do more with your time and your budget. Reliable automatic two-sided printing means no flipping pages by hand—plus reduced paper use for lower printing costs (M201dw model only).

Control tasks with ease

The adjustable tilt angle of the control panel on both models provides convenient accessibility to all users. Set up each project easily and start printing right away.

Step up your productivity

Stay productive and keep your business moving with fast print speeds of up to 25 ppm, A4,[4] and a first page out in as fast as 8 seconds.[13] Reduce interventions with this printer's 250-sheet input tray. Use the 10-sheet priority feed tray for special media.

Minimise interruptions with Original HP toner cartridges

The M201 series includes a full-capacity, 1,500-page toner cartridge in the box.[8] Help save money and minimise interruptions by using the high-capacity Original HP toner cartridge, designed for greater value.

Achieve outstanding printing results, uninterrupted—thanks to the exceptional reliability and consistency of Original HP toner cartridges. Make your business look its best with professional-quality documents, and handle your printing fast and on budget. Avoid wasted supplies, reprints, and costly delays.

Enjoy peace of mind with legendary HP reliability

Prior to its introduction, a new HP LaserJet device undergoes rigorous HP testing to provide consistent, high-quality output. The result is a solid, reliable product that produces consistent, excellent print quality over its entire life.

The printer includes a standard one-year limited warranty. Additional warranty and service extension options are available. For details, see "Ordering information" on page 14.

Printing made mobile

Meet pressing business demands—even when you're out of the office. Mobile printing options help save you time and print at the speed of business.[1]

Print wirelessly— no network needed

The M201dw model is designed with wireless direct printing.[3] Employees can easily send print jobs wirelessly from smartphones, tablets, and laptops—no need for a router or access to your network. Simply connect your mobile device to the printer in the same way you would discover and connect to any public wireless network. Printing is simple and straightforward. Just access the print function from the document you want to print, select the printer, and hit Print.

Simplify mobile printing

HP ePrint enables easy printing from smartphones, tablets, and notebooks at work, home, or on the go. Print documents, photos, and more from your mobile device.[1,9] And with Apple AirPrint, enable employees to easily print from an iPhone, iPad, and iPod touch—no setup or apps required.[10]

Enable easy mobile printing between Mopria-certified mobile devices and printers—like the M201 series—without the need for a special app or software. Learn more at mopria.org.[14]

Conserve resources without sacrificing performance

It has never been more important to save energy and resources, and HP technologies can help. HP's Design for the Environment initiative is driving improvements at every stage in the product lifecycle—helping reduce the amount of energy, paper, packaging, and materials used at HP and by our customers.

Save energy—automatically

With its intelligent design, this printer can help you meet your energy goals, without sacrificing performance:

- HP Auto-On/Auto-Off Technology helps you stay productive and conserve resources by turning your printer on when you need it and off when you don't.[11] Set custom times for your printer to turn on and off, so it's ready when you are.

- Instant-on Technology allows users to save on energy without sacrificing time. This innovative, quick-heating fuser system warms rapidly and cools quickly, helping you conserve energy.[15]

Conserve resources and reduce costs

- Get up to 50% paper savings with built-in automatic two-sided printing on the M201dw model.

- Support for thin media allows users to print on papers as light as 60 g/m^2.

Employ the printer that is designed to conserve

- The M201dw model is Blue Angel compliant. Blue Angel is a German eco-label based on criteria in product design, energy consumption, chemical emissions, noise, recyclable design and take-back programs. Many of HP's most popular printing and imaging products qualify for this eco-label.

- The M201dw model is ENERGY STAR qualified. HP equipment marked with the ENERGY STAR logo is qualified to the U.S. Environmental Protection Agency's ENERGY STAR specifications for imaging equipment. Additional ENERGY STAR information is listed at hp.com/go/energystar.

Reduce your impact— recycle HP cartridges

HP helps you recycle your Original HP cartridges—it's easy and free with the HP Planet Partners program, available in more than 50 countries and territories around the world.[16]

No Original HP cartridges returned through HP Planet Partners are ever sent to a landfill. For more information, visit hp.com/recycle.

Technical specifications

	HP LaserJet Pro M201n	HP LaserJet Pro M201dw
Product number	CF455A	CF456A
Print speed[4]	Up to 25 ppm, A4 (up to 26 ppm, letter)	
First page out[13]	As fast as 8 seconds (A4/letter)	
Print resolution	Up to 600 x 600 x 2 dpi (1200 dpi effective output); HP FastRes technology 1200, 600 dpi	
Control panel	2-line LCD (text)	
Processor and memory	750 MHz; 128 MB	
Durability ratings		
RMPV (recommended monthly page volume)[17]	250 to 2,000	
Duty cycle[18]	Up to 8,000 pages	
Media specifications		
Input capacity	Priority input tray 1: up to 10 sheets	
	Main input tray 2: up to 250 sheets, up to 10 envelopes	
Output capacity	Up to 150 sheets	
Two-sided printing	Manual (driver support provided)	Automatic
Media sizes	Priority input tray 1: A4, A5, B5 (JIS), C5, DL, 16K, envelopes, postcards; Letter, legal, envelopes, postcards; Custom sizes: 76 x 127 to 216 x 356 mm (3 x 5 to 8.5 x 14 in)	
	Main input tray 2: A4, A5, B5 (JIS), C5, DL, 16K, envelopes; Letter, legal, envelopes, postcards; Custom sizes: 147 x 210 to 216 x 356 mm (5.8 x 7.4 to 8.5 x 14 in)	
		Duplex: A4, A5, A6, B5, B6; Letter, legal, executive
Media weights	Priority input tray 1, Main input tray 2: 60 to 163 g/m² (16 to 43 lb)	
		Duplex: 60 to 105 g/m² (16 to 28 lb)
Media types	Paper (laser, plain, photo, rough, vellum), envelopes, labels, cardstock, transparencies, postcards	
Print languages	PCL5c, PCL6, PS, PCLm, PDF	
Printer management	Windows®: HP Device Toolbox, Status Alerts (default install), SNP Alerts (minimum network install), HP Web Jetadmin (download)	
	Mac: HP Utility	
Connectivity	1 Hi-Speed USB 2.0; 1 Ethernet 10/100	
Network capabilities	Built-in Ethernet	Built-in Ethernet, Wi-Fi 802.11b/g/n
Mobile printing capabilities	HP ePrint, Apple AirPrint	HP ePrint, Apple AirPrint, wireless direct printing
Security	Network: Firewall (with feature-based/port enablement), WPA2 authentication, SNMPv3, certificates, access control list	
	Data: SSL/TLS 1.2	
	Device: Network port disablement, control panel lock, feature lock	
	Security management: Password-protected network HP Embedded Web Server, SNMPv1 community password change, compatible with HP Imaging and Printing Security Center	

	HP LaserJet Pro M201n	HP LaserJet Pro M201dw
Compatible operating systems	Windows: Full software installs supported on: Windows 8.1 (32 and 64-bit), Windows 8 (32 and 64-bit), Windows 7 (32 and 64-bit), Windows Vista® (32 and 64-bit), Windows XP (32-bit) (SP2 or higher)	
	Driver only installs (by CD) supported on: Windows Server 2008 (32 and 64-bit), Windows Server 2003 (32-bit) (SP1 or higher), Windows Server 2003 R2 (32-bit), Windows Server 2008 R2 (64-bit)	
	Driver only installs (by APW) supported on: Windows 8.1 (32 and 64-bit), Windows 8 (32 and 64-bit), Windows 7 (32 and 64-bit), Windows Vista (32 and 64-bit), Windows XP (32 and 64-bit) (SP2 or higher), Windows Server 2012 R2 (64-bit), Windows Server 2012 (64-bit), Windows Server 2008 R2 (SP1) (64-bit), Windows Server 2008 (32 and 64-bit), Windows Server 2003 R2 (32 and 64-bit), Windows Server 2003 (32 and 64-bit) (SP1 or higher), Windows Server 2003 Standard and Enterprise	
	Mac: OS X Lion, OS X Mountain Lion, and Mavericks	
	Linux: Please check Linux online support: http://hplipopensource.com/hplip-web/index.html	
System requirements	Windows XP 32-bit (SP2 or higher): Pentium 233 MHz processor, 512 MB RAM, 400 MB free hard disk space, CD/DVD-ROM or Internet, USB or Network port	
	Windows Server 2003 32-bit (SP1 or higher), Windows Server 2003 R2 32-bit: 1 GHz 32-bit (x86) processor, 1 GB RAM (32-bit), 400 MB free hard disk space, CD/DVD-ROM or Internet, USB or Network port	
	Windows 8.1 (32-bit and 64-bit), Windows 8 (32-bit and 64-bit), Windows 7 (32-bit and 64-bit), Windows Vista (32-bit and 64-bit), Windows Server 2008 (32-bit and 64-bit), Windows Server 2008 R2 32-bit and 64-bit: 1 GHz 32-bit (x86) or 64-bit (x64) processor, 1 GB RAM (32-bit) or 2 GB RAM (64-bit), 400 MB free hard disk space, CD/DVD-ROM or Internet, USB or Network port	
	Mac: OS X v 10.7 Lion, OS X v 10.8 Mountain Lion, OS X v 10.9 Mavericks: 1 GB available hard disk, Internet, USB	
Dimensions (width x depth x height)	379 x 241.9 x 251.4 mm (14.9 x 9.5 x 9.9 in)	384 x 280.7 x 251.4 mm (15.1 x 11.1 x 9.9 in)
Weight	5.9 kg (13 lb)	6.6 kg (14.5 lb)
What's in the box	HP LaserJet M201n, Standard HP LaserJet Black Print Cartridge (~1,500 pages),[8] Installation Guide, Support flyer, Warranty guide, CD containing software and electronic documentation, power cord	HP LaserJet M201dw, Standard HP LaserJet Black Print Cartridge (~1,500 pages),[8] Installation Guide, Support flyer, Warranty guide, CD containing software and electronic documentation, power cord, USB cable
Software included	Windows: HP Installer/Uninstaller, HP PCL 6 print driver, Status Alerts, HP Update, DXP, HP Device ToolBox, HP DU, HP Update	
	Mac: HP Installer/Uninstaller, HP Postscript driver, HP Setup Assistant, HP Utility, HP Alerts, HP Firmware Updater	
Downloadable software	From hp.com: Windows Full Software Solution, Windows driver only solution, Mac Software Solution, HP Universal Print Drivers (PCL 6, PCL 5 and PS for Windows), HP ePrint Software (for Windows), Linux/Unix Print Drivers, HP Web Jetadmin, Printer Administrator Resource Kit (Driver Configuration Utility, Driver Deployment Utility, Managed Printing Administrator), SAP (PCL 5 and PS Print Drivers)	
	From other sites: mobile apps	
Warranty	One-year limited warranty (for web support, visit hp.com/support)	
HP SureSupply	HP SureSupply alerts you when your print cartridge is running low and helps you purchase online or locally through HP or a participating retailer. For more information, visit hp.com/go/suresupply. (Only available with Original HP supplies; Internet access required.)[19]

Notes

[1] Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. Some features require purchase of optional module.

[2] Wireless networking is standard on the HP LaserJet Pro M201dw only. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

[3] Wireless direct printing is standard on the HP LaserJet Pro M201dw only. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.

[4] Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

[5] HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent upon physical environment and distance from access point. For information on compatibility, visit hp.com/go/autowirelessconnect.

[6] HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin.

[7] HP Imaging and Printing Security Center must be purchased separately. To learn more about HP Imaging and Printing Security Center or to obtain a free 60 day trial, please visit hp.com/go/ipsc.

[8] Declared yield value in accordance with ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. For more information, visit hp.com/go/learnaboutsupplies.

[9] Requires an Internet connection to an HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types, and other HP ePrint details, see hpconnected.com. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.

[10] Supports Apple OS X Lion, OS X Mountain Lion, and the following devices running iOS 4.2 or later: iPad (all models), iPhone (3GS or later), and iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

[11] HP Auto-On/Auto-Off Technology capabilities are subject to printer and settings; may require a firmware upgrade.

[12] The HP Universal Print Driver is free and available for download at hp.com/go/upd.

[13] Exact speed varies depending on the system configuration, software application, driver and document complexity.

[14] Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

[15] Compared with products that use traditional fusing.

[16] Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries, territories, and regions in Asia, Europe, and North and South America through the HP Planet Partners program. For more information, visit hp.com/recycle.

[17] HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

[18] Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

[19] Program features and availability may vary by country. For more information, visit hp.com/learn/suresupply.

[20] Measured according to ISO 7779 and declared in accordance with ISO 9296, values are subject to change.

[21] Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

[22] Applicable for these eligible countries: Austria, Baltics, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, UK, Czech, Greece, Hungary, Poland, and Slovakia.
