HP DeskJet Ink Advantage 5075 All-in-One

A new level of wireless connectivity you can count on.

Get a stable, reliable wireless connection with Dual Band Wi-Fi.[1] This new technology delivers a better way to connect. Go from box to setup, fast, with Bluetooth SMART.[3]

Simple Wi-Fi setup in less than a minute[5]

Ready. Set. Connect. Use a smartphone to set up your printer and connect to your local wireless network in minutes. Bluetooth SMART[3] and the HP Smart App[4] deliver a hassle-free experience, so you can start quickly.

Your reliable connection

Enjoy a reliable wireless connection with Dual Band Wi-Fi,[1] broadcasting both 5 GHz and 2.4 GHz signals. If the 2.4 GHz signal is overcrowded, your printer automatically changes to the 5 GHz frequency so your printing is uninterrupted.

The power of your printer in the palm of your hand

Get the app that's designed to completely control your printer. Scan on the go, print from social media and the cloud, easily order ink, and set up in a snap with the HP Smart App.[4]

Your device, your choice

Easily print everyday documents and photos directly from your smartphone or tablet.[2]

Take the stress out of setup

Download the easy-to-use HP Smart App to set up the device from your smartphone or tablet.[4] This intuitive app provides easy-to-understand images and text to help you complete the setup process.

1

Plug in the device

Unbox and power up the device in just minutes.

2

Set up in a snap

Download the HP Smart App at no additional cost from your mobile device app store. With easy-to-follow steps and instructions, setup is quick and hassle-free.[4]

3

Manage effortlessly

Easily print photos from social media, the cloud, and your camera roll gallery. Scan and share to email or the cloud—from virtually anywhere. Order ink directly through the app.[4]
